#### Only for the Brave

Are you planning a holiday? Are you looking for something dangerous and exciting to do? How about these ideas for adventurous tourists?

#### The Cage of Death (Darwin, Australia)

Do you want to meet a crocodile? For \$150, you can see crocodiles in their natural habitat. The Cage of Death is a 2.7-metre-high plastic box. You climb into the box. Then, a cable lowers the box into the water. For 15 minutes, you are under the water with gigantic angry crocodiles. There are only four centimetres of plastic between you and the crocodiles, so don't make any noise. These animals aren't very friendly, and sometimes they try to attack the box. Look carefully. You can see their teeth marks on the plastic.

#### Iguazu Boat Ride (Brazil / Argentina)

Iguazu Falls in Brazil and Argentina isn't just one waterfall, it's 275 waterfalls. One of these waterfalls is 82 metres high, 150 metres wide and 700 metres long! It's possible to see the waterfalls from dry land, but for only \$15, you can go on a boat ride into the falls. You're probably packing your bags right now, so don't forget to take a swimsuit. You can get very wet in the falls. And remember to wear a life jacket on the boat. The water is very dangerous!
