### 1 Read the letter about a summer camp.

Dear Campers,

We're very excited about Camp Sports Plus summer camp this July. We've got a big selection of activities and sports to choose from, so you shouldn't worry about that. We're sending you a list and you should start thinking about your choices. Is your favourite sport not on the list? Just write to us and tell us.

Maybe we can solve the problem.

- **In the gymnasium:** You can join a hip-hop dancing class, do gymnastics or karate, or practise weightlifting.
- **In the stadium:** You can play volleyball, basketball or football.
- **In the park:** There are special areas for running, rollerblading and cycling.

**For water-sport lovers:** You can go swimming in the swimming pool or take scuba diving or surfing lessons in the ocean.

#### **In addition:**

Camp Sports Plus has got a great computer room. You can play computer games with your friends, write e-mails to your family and even watch films ... when you're not doing sport, of course!

#### **Important things to remember:**

- All campers must bring a medical note from their doctor.
- You must wear trainers in the gymnasium, so don't leave them at home!
- Girls and boys with long hair must wear a swimming cap in the swimming pool.
- You mustn't bring mobile phones or other electronic items to camp. Sorry, campers!

See you in July!
